Recommendation – Cristian Mitroi

Cristian has been working for Deltek for almost 4 years as a software developer. Cristian has been part of the client development team, having developed HTML5 web application based on Angular and Typescript. Cristian has as well worked with DevOps enabling automatic build and deployment of web applications to use by Quality Engineers and developers

Cristian has been very committed and have delivered features and functionality of high quality.

Cristian has worked with a larger team of developers and have been part of all processes in Deltek's SCRUM development process. Cristian's work has been of high importance for delivering high quality and in time to customers.

Cristian has always been very responsive and have taken responsibility of his assignments.

I give Cristian my best recommendations

Best regards

Henrik Rosenstand  
Sr. Development Manager, Maconomy
